

50 Years of Paediatric Oncology in Switzerland

Auditorium Ettore Rossi, Inselspital Bern

05.06.2026, 10:00 - 17:00 Uhr

Insel Gruppe | Inselspital | Inselspital, Universitätsspital Bern

The SPOG invites you to mark its 50th anniversary. This symposium brings together experts, clinicians, researchers, and stakeholders to look back on five decades of paediatric cancer care in Switzerland and discuss future developments.

The symposium will be moderated by Prof. Dr. med. K. Scheinemann, M.Sc., President of SPOG, and PD Dr. med. Nicolas Gerber, Vice President of SPOG.
